“Jesus said to him, “Love the Lord your God with all your heart, with all your soul, and with all your mind.’ This is the first and greatest commandment. The second is like it: ‘Love your neighbor as yourself.” (Matt 22:37-39 NET)

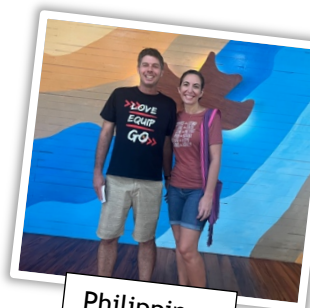

CC Asia Conference

Our biggest event this year was hosting the Calvary Chapel Asia Conference. We had about 150 attendees this includes our volunteers who came from the states. Teams From Washington, Hawaii, Indiana, and Florida came to serve. 15 countries were represented, it was a beautiful thing to see so many different languages and people from different countries gathered in one location. We had a sweet team from Cambodia come with a group of teens and they performed a traditional Cambodian dance sharing the gospel. We also had a treat of a Hawaiian hula also sharing the gospel. The teaching was solid and encouraging to everyone. The theme was Revival Ready, and they went through the book of 1 & 2 Timothy. It had been about 3 years (2019) since the last conference, and it was so great seeing family and friends again. We loved also seeing a new group participating and look forward to seeing what God has instore for next year. There were some awesome workshops with tools to equip everyone for revival. We also arranged fun outings for those that wanted to join, cooking classes, elephant feeding and riding, adventures to a waterfall and an outreach to an orphanage.

Visas

Please continue to pray for our family regarding visas. We recently renewed our visas in country. Since the last newsletter we had to make two visa runs out of country, first to Philippines and the other to Malaysia. At that point we switched from applying for volunteer visas to ED visas to relieve the difficulty. However, more requirements have been made and while we have our visas, they are only good for 90 days at a time. There is now extra paperwork needed for the girls.

Philippines

On our way to the CC Philippines we visited friends

CC Bangkok

Refuge and beyond our walls

Prior to the CC Asia conference Arron and I went to the CC Philippines Pastor's and Pastor's wives conference and had a sweet time of encouragement. After returning and having the Conference here we have had a couple outreaches to the orphanage. It's been great seeing everyone from the church wanting to serve the community. At Refuge, we hosted two ladies' teas sharing Love God Greatly women's ministry to Chinese and Thai ladies. We also started having a quarterly women's breakfast and at our first one we had around 30 women. It's amazing how the Lord is growing the Chinese community here in Chiang Mai and they are on fire for the Lord, and they have a desire to learn.

Pictures below are of the different serving opportunities

Arron and I volunteered as chaperones at a middle school youth retreat for a weekend, it was a joint youth retreat partnering with other international churches in Chiang Mai. We've also had outreaches in some villages. One was in Hua Hinn which is in South Thailand where we went to a Bible college where P Sharon, a friend of ours is serving. Arron was also able to attend the Japan Pastor conference with Kevin from our church and Arron had the privilege of teaching on Sunday at CC Okinawa. Vicky started volunteering at ELM, a pregnancy center here in Chiang Mai, as the church has begun a partnership with this ministry. Julianna has been serving in Children's church on Sunday and working in the children's ministry Tuesday and Wednesday nights. Jenavieve is our new sound tech and she's now serving every Sunday and Wednesday services. We have also had once again this year an opportunity for mall outreaches during the Christmas season.

Team

The team is doing great. Christian and Laura are expecting their first baby in March. Alyssa was such a blessing during the conference staying busy with being the onsite nurse, it's been great seeing her use these gifts more.
